DAILY WORD SEARCHES

SECOND GRADE HMH

2

**VERSIONS:
WRITE OR
TRACE**

Thank you for your purchase!

This resource is designed to help you implement the spelling words from the Into Reading program by HMH in your second-grade classroom. Below, you will find a brief guide on how to use this material to maximize its effectiveness.

Includes:

- **Daily word searches:** One word search for each day, focused on the week's key words. This ensures your students practice daily in a fun and challenging format.
- **Two versions of activity sheets available:**
 - **Version 1:** Locate and circle the spelling words in the word search, then write them in the blank spaces.
 - **Version 2:** Locate and circle the spelling words, then trace them on dotted lines.
- **Space for creativity:** At the end of each activity, your students can create a sentence using the word of the day, encouraging writing and critical thinking. To write additional sentences, print the last page of this resource on the back of the sheet.
- **Answer key:** While we don't recommend printing it to avoid paper waste, the answer key is included for quick reference.

This is one of 12 modules: If you enjoyed working with this material, keep in mind that other modules, quarters, and even a complete package covering the entire school year are also available. You can find these resources in [my store on Teachers Pay Teachers](#) or at msgarciastore.com.

Thank you for supporting my work! If you have any questions or comments, feel free to reach out. Your feedback is invaluable and helps me improve my resources.
