How to Print

1. Printing Front and Back:

- Start by printing the front side of the cards.
- After printing the fronts, reload the printed sheets into the printer.
- Print the back design on the other side of the sheets.

2. Paper Choice:

- For added sturdiness, it's recommended to use thicker paper.

3. Lamination:

- Consider laminating the cards for increased durability.

4. Page Numbers:

- Module 1 front cards is 2 pages long (pages 4 and 5).
- Page 6 is designated for the back of the cards.
- Page 7 is designated for the recording sheets to write down the pairs of words you create during the game.

5. Cutting Guidelines:

- Use the cutting guides on the back side of the sheets to cut the cards with corners.
- Alternatively, you can cut them without corners, following the border of the images.
- Cutting without corners (rounded corners) takes more time but may result in longer-lasting cards.
