# Weekly Kindergarten Frequently Used Words Homework

Optimize your kindergarten students' literacy with our Weekly Frequently Used Words Activity, aligned with the HMH curriculum. This structured and engaging resource is essential for early reading learning.

It includes two pages per week:

## First page:

**Word Table:** Words of the quarter with those of the week highlighted for weekly reading.

**Writing Exercise:** Identify and write up to four words according to specific criteria (e.g., "Starts with 'p'" or "Has 5 letters").

**Sentence Construction:** Create sentences with the words of the week.

## Second page: (Page 41 of the PDF):

**Extended Lines:** To continue prayers.

**Illustration Area:** Space to illustrate and label a sentence.

## Proceeds:

**Continuous Reinforcement:** Weekly repetition for greater retention and fluidity.

**Differentiated Instruction:** Optional page for advanced students.

**Curriculum Alignment:** Seamless integration with HMH curriculum.

**Interactivity:** Combines reading, writing, and illustration for greater engagement.

## Use:

**Weekly Routine:** Distribute the impression of one or two sides according to the level of your students.

**Flexible:** For the classroom, homework, or both.

Empower your students with our Weekly Frequently Used Words Activity. Download it today at Ms. Garcia Store.
